Product Specifications

Diamond Texture Black Nitrile Disposable Gloves 8Mil (X-Large)

Part Number 8NG100XL
UPC 781002859444

Our 8-mil nitrile gloves provide heavy-duty protection, for the toughest jobsite conditions. These gloves provide enhanced puncture resistance, so you get the coverage you need. The diamond texture design provides a superior tactile grip. The unique texture channels away liquids for a grip that wont quit. They offer reliable defense against punctures, cuts, and abrasions, ensuring your hands remain protected. With technology always at our fingertips, we designed our gloves to remain on when using touchscreens. Our ambidextrous gloves are latex and powder free. Once the job is completed, simply discard the disposable gloves.

Physical Characteristics

Type	Work Gloves
Style	Disposable
