

**Table 12. Line and Load Terminals**

| Maximum Breaker Amperes | Terminal Body Material | Wire Type | AWG Wire Range/<br>Number of Conductors | Metric Wire Range (mm <sup>2</sup> ) | Number of Terminals Included | Catalog Number |
|-------------------------|------------------------|-----------|-----------------------------------------|--------------------------------------|------------------------------|----------------|
| 400                     | Aluminum               | Cu/Al     | 500 – 750 (1)                           | 240 – 380 (1)                        | 3                            | 3TA631LK ①     |
| 400                     | Aluminum               | Cu/Al     | 500 – 750 (1)                           | 240 – 380 (1)                        | 4                            | 4TA631LK ①     |
| 400                     | Copper                 | Cu        | 500 – 750 (1)                           | 240 – 380 (1)                        | 3                            | 3T631LK ①      |
| 400                     | Copper                 | Cu        | 500 – 750 (1)                           | 240 – 380 (1)                        | 4                            | 4T631LK ①      |
| 630                     | Aluminum               | Cu/Al     | 2 – 500 (2)                             | 35 – 240 (2)                         | 3                            | 3TA632LK ①②    |
| 630                     | Aluminum               | Cu/Al     | 2 – 500 (2)                             | 35 – 240 (2)                         | 4                            | 4TA632LK ①②    |
| 630                     | Copper                 | Cu        | 2 – 500 (2)                             | 35 – 240 (2)                         | 3                            | 3T632LK ①      |
| 630                     | Copper                 | Cu        | 2 – 500 (2)                             | 35 – 240 (2)                         | 4                            | 4T632LK ①      |
| 400                     | Aluminum               | Cu/Al     | 2 – 500 (1)                             | 35 – 240 (1)                         | 1                            | TA350LK ②      |
| 400                     | Copper                 | Cu        | 2 – 500 (1)                             | 35 – 240 (1)                         | 1                            | T350LK ②       |

① Includes LTS3K (3-pole) or LTS4K (4-pole) terminal covers.

② Standard terminal included with complete breaker.

**Table 13. Terminal Covers**

| Description             | Catalog Number |
|-------------------------|----------------|
| 3-Pole Terminal Cover ③ | LTS3K          |
| 4-Pole Terminal Cover ③ | LTS4K          |

③ Included in TA631L, T631L, TA632L kits listed above.

**Table 14. End Cap Kits**

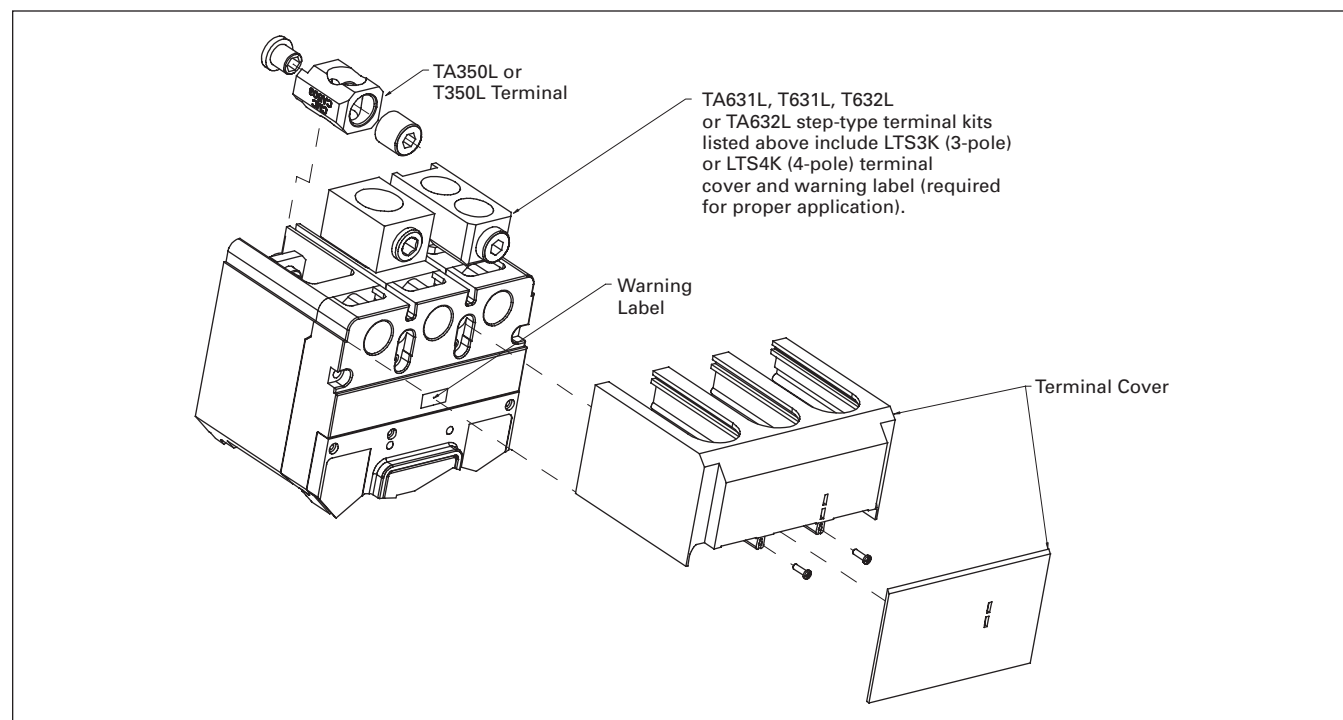

| Number of Poles | Catalog Number |
|-----------------|----------------|
| 3               | L3RTWK         |
| 4               | L4RTWK         |

**Table 15. Terminal Extensions**

| Number of Poles | Catalog Number |
|-----------------|----------------|
| 3               | LGTEW3         |
| 4               | LGTEW4         |

**Table 16. Terminal Spreaders**

| Number of Poles | Catalog Number |
|-----------------|----------------|
| 3               | LGTES3         |
| 4               | LGTES4         |

**Figure 1. Terminals and Terminal Cover for the LG Breaker — Includes LTS3K (3-Pole) or LTS4K (4-Pole) Terminal Covers**
**Note:** Extended terminal covers add 2.10 inches (53.3 mm) to breaker length.
