RACO® BLOCK-LOC™ Masonry Boxes

RACO is introducing this new line of self-positioning masonry boxes and tile covers designed to lock into position and hold during the construction process.

Application

For power and data outlets in masonry block walls.

Product Features

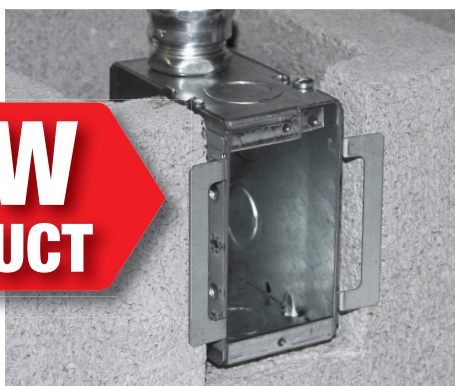

- Available in 3-1/2" deep, 1 through 4 gang welded, and gangable masonry boxes
- Available in 4" sq. 2" deep 1 and 2 gang tile covers
- Available in 4-11/16" sq. 2" deep 1 and single gang tile covers (899B)
- Integral brackets securely hold power and data outlets to concrete block from front and back in masonry block walls, even in irregular cut openings
- Quick and accurate positioning
- Break off front tabs
- Made from durable, galvanized steel
- UL listed
- Patent Pending
- Made in North America
