

SPECIFICATION & FEATURES

DESCRIPTION:

Orbit Industries' NEMA Type 1 Enclosures with screw cover are suited for a variety of electrical applications and protect against dust, light, and indirect splashing. This heavy duty box is made with 16 Gauge Steel with wall mounting holes on the back. Boxes are finished with ANSI 61 gray polyester powder paint and meet UL standards. Enclosures include concentric knock-outs on all sides of the enclosure.

CERTIFICATION:

UL file E331152
conforms to UL 50 and UL 50E
