

BI-COLOR EDGE LIT EXIT LIGHT

TK-EE-7109RG™ Series

Description

Tektron's EE-7109RG Bi-Color Edge Lit Exit Light features fully illuminated 6-inch characters with long-life, high-intensity LEDs. Designed with an aluminum housing and high-grade acrylic difuser, it operates at only 1.2W and supports 120—347VAC input. The integrated maintenance-free 4.8V NiCad battery provides 120 minutes of emergency illumination.

Applications

Ideal for wet and damp locations including shopping malls, retail spaces, offices, and residential buildings requiring code-compliant exit signage.

Quick Ship

TK-EE-7109RG
